写作部分

Task 1

一级重点是动态表格、饼状图、柱状图，其次是它们的静态图
二级重点流程图和地图
三级重点曲线图

Task 2

大作文可以重点练习有关发展类、社会类、教育类和科技类的话题；观点类的题目比较常见，可以考前练习如下文章

- It is important for all towns and cities to have large public outdoor places like squares and parks.To what extent do you agree or disagree?
- People change their career and place of residence several times during their life.Is it a positive or negative development?
- The leaders or directors of organizations are often older people,but some people say that young people can also be a leader.To what extent do you agree or disagree
- It is the responsibility of schools to teach children good behaviour in addition to provide formal education.To what extent do you agree or disagree?
- People still value artists in the age of advanced science and technology.Why do you think this is?Are arts as important as science and technology?

- Some people think that children with different abilities should be taught together while some think that intelligent children should be given special training or taught separately. Discuss both views and give your opinion.
- For school children, their teachers have more influence on their intelligence and social development than their parents. To what extent do you agree or disagree?
- Children and students are taught to push themselves to try and be better than other students rather than work together for everyone's benefits. Do you think the disadvantages of training to be competitive outweigh the advantages?
- In some countries around the world men and women are having children late in life. What are the reasons for this development? What are the effects on society and family life?
- In many countries nowadays, more and more women have full-time jobs as men. There is a logic that men and women should share the housework tasks equally. To what extent do you agree or disagree?
